

A Winning Partnership

For nearly 20 years, Oracle and Forsythe have been partners. Forsythe created its Meta7 division three years ago to give additional resources and focus to Oracle with a dedicated organization.

Benefits

Three ways Meta7 helps you maximize the value of your Oracle investment:

- **Streamlining:** Reduce the total cost of ownership of your Oracle investment
- **Modernizing:** Simplify your existing Oracle operations
- **Innovating:** Align your business to the Oracle Cloud to support development

Meta7 Resources and Capabilities The 100%-Oracle dedicated Meta7 team bring strategic expertise in Oracle software and hardware as well as comprehensive Oracle technical knowledge including: engineering, deploying, migrating and supporting Oracle workloads.

Meta7's Oracle Cloud Center of Excellence The Meta7 Cloud Center of Excellence provides evaluation of Oracle technologies through Proof of Concepts, demos and live sandbox demonstrations. Meta7 provides specific expertise helping organizations integrate on-premise Oracle workloads into the hybrid Oracle Cloud.

Forsythe Forsythe is a leading enterprise IT company, providing advisory services, security, hosting and technology organizations, including Fortune 1000 companies. Forsythe is one of the one of the largest security integrators in North America. Forsythe was named by Forbes as one of the top management consulting companies in 2016 and 2017.

Forsythe's Technology Evaluation Center and Forsythe Integration Center The Forsythe Technology Evaluation Center (TEC) is a multi-vendor leading center for technology integration and design. The TEC demonstrates Oracle technologies and more than 150 other technologies from major manufacturers. The Forsythe Integration & Configuration Center is the largest vendor-independent IT pre-delivery preparation facility in the U.S.

Forsythe Financial Services Meta7 also brings the breadth of Forsythe Financial Services to companies, which provides customized consumption-based or other financial solutions to align with your specific corporate CAPEX/OPEX requirements.

Why Meta7 Meta7 helps you obtain maximum value from your current Oracle investment by identifying ways to streamline your Oracle costs, simplify your Oracle operations, and aligning your business to Oracle Cloud technologies.
